

Simpson's Lane Academy Sport Premium Report 2014 - 2015

In 2014-2015 Simpson's Lane Academy will receive the second instalment of £9,250 income to spend on academy PE and Sport. The funding will be used in a variety of ways to further improve; and develop teaching and learning in PE across the whole academy. We will encourage pupils to continue to lead healthy lifestyles, enjoy PE and Sport and experience high quality teaching. They will be encouraged to take part in competition and aim for sporting excellence.

Having already seen impact of the funding from 2013 – 2014, we hope for this additional funding to have a continued and sustained impact on provision of PE and sport within our academy. Learning walks, lesson observations and monitoring by the PE leader as well as an annual PE audit have identified the following areas to address as issues to address in PE coaching this year: high-quality coaching in KS1, increased awareness of healthy lifestyles, increased in quality warm ups and agility games, building up stamina as well as the chance for pupils to participate in competitive events in various locations.

Details of the De Lacy partnership.

1. **Curriculum Support** - this year we employed Jordan Harvey to assist with Primary PE lessons, he was allocated 8 hours per week to work with our Primary schools. Each school has had 1.5 hours per week to use Jordan for teaching/CPD of your teachers/instruction on use of PE equipment etc.

2. **Organisation of Extra-Curricular** - as part of Jordan's role he has set up a whole timetable of extra-curricular fixtures for both girls and boys in Years 4/5. This has included manning the fixtures, organising buses and referees, and providing certificates, trophies and medals. He has also regularly updated our school website and a Knottingley Primary Twitter account for pupils and parents, with results, info and photos.

Autumn term - Football
Spring term - Tag Rugby
Summer - Kwik Cricket

3. **Schemes of Work** - at the CPD session in February, a representative from your school was given two copies of Reception, KS1 and KS2 scheme of work for PE, complete with games ideas and lesson plans.

4. **Professional Development** - We have provided a substantial programme of full day professional development courses, with resources, for as many delegates as your school wished to send.

15th Oct - Foundation PE
3rd Dec - KS1 PE

11th Feb - KS2 PE

Your school has sent delegates to two of these courses, all of whom positively completed post-course questionnaires. Coming up this term are courses on Physical Literacy, dance and gymnastics - I hope to see some representatives from Simpsons Lane attending.

5. **Change 4 Life Club support** - we have offered your school training for teachers/LSAs to run a Change 4 Life club, as well as Change 4 Life Champions training for Year 5 pupils. We have also offered our 6th Form pupils to come in and run lunchtime/after school Change 4 Life Clubs.

Summary of Funding

The impact from all of the monies spent has, and can be seen in: pupil participation in physical education, the resources available to the children, pupil's accessibility to elite sports coaching and real-life experience of competitive events at elite locations.

100% of the pupils asked, were enjoying the experience of Physical Education in school and accessing enjoyable PE lessons when asked.

Staff involved with the external sports coaches (Barnsley FC, De Lacy Academy and the Pontefract New College) enhanced their CPD and pupils' enjoyed the sessions.

Money left over from 2014-2015 (£1148.56) is being carried over to the academic year 2015-2016 as Simpson's Lane Academy is expanding. Therefore PE leaders feel it is a necessary requirement to improve and increase the equipment available within school. Following on from the audit in July 2015, PE leaders identified areas of equipment need for KS1 and KS2. These were:

- **PE kits for children in need**
- **Gymnastics equipment to support curriculum and extra-curricular club**
- **Updating specific sports kit e.g. footballs/basketballs**
- **Table tennis tables to provide opportunities for an additional extra-curricular club**
