

## Newsletter 20/01/2017

We use a 'Traffic Light' system to inform children if their behaviour is not of the acceptable standard. The aim is for children to stay in Green. For children to display Green behaviour, they would be in the right place, at the right time, doing the right thing. The total below show how many children have achieved this each week.

**This week 299 children have stayed in Green.  
Well done!**

## After-School Clubs

Remember most new clubs are up and running and Science Club starts next week for KS2 pupils. If you have any ideas for other after-school clubs you or your child would like to see happening please speak to a member of staff who will pass on the suggestion to our Deep Experience co-ordinator.

On Tuesday all Year 5 pupils visited De Lacy Academy to experience an Art lesson, work with clay and have a look around the Academy. They all had a great time!

Dolphins have been getting to grips with poetry. They have written some fantastic poetry using personification about fruit and vegetables in a supermarket coming to life! Some of the poems will be tweeted next week so keep your eyes 'peeled'.

The Parrots and Penguins have been learning to count in 10s this week, completing Maths Challenges and even some homework too!

"Call the doctor!"

The Monkeys and Meerkats have been doctors and nurses this week, looking after the babies who have been poorly. They did a great job helping them to get better.

After our trip to The Deep the Foxes have extended our learning in Topic. The Foxes have begun exploring the world, making world maps and are now creating pictures using a technique called pointillism inspired by Georges-Pierre Seurat!

## Leadership signposting

If you have any questions or queries in the first instance please see your child's class teacher or Mrs Silburn who is usually on the playground before and after the academy day. If, after speaking to an academy leader, you require to speak to a Senior Leader, then Miss Mayers, Mr Colley or Miss Murphy will be more than happy to help you.

## Bags 2 School

We will be sending home the Bags 2 School again soon. Remember school gets 50p for every kilogram of clothing donated which helps to support the cost of trips, visits and experiences in school

This week the Pandas have continued reading the exciting adventures of Robinson Crusoe! We planned what we would pack in our bags and used 'because' to extend our sentences and explain why we would need these items. We have also been practising our balances using different points of our body in our PE lessons.
