Dear Parents/Carers,

Swearing & Offensive Language

I have received a number of complaints about parents and carers swearing and using offensive language outside of classrooms and around the academy site. Some parents are considering moving their children to other schools as a result of this. I find this very upsetting as we are working hard to improve the reputation of Simpson's Lane and the local community and the actions of a few parents is preventing this from happening. I am sure you agree children should not be hearing such language at any time.

The use of swear words and offensive language will not be tolerated anywhere on the academy site. If you are overheard swearing staff will politely ask you to stop. If after a verbal warning you are overheard again you will be issued with a site ban for the remainder of the academic year and may be asked to meet with myself and the Education Advisory Board.

I trust that you all want the very best for your children and will support us with this matter.

Yours sincerely,

A handwritten signature in cursive script that reads 'C Mayers'.

Miss C Mayers
Head of Academy
